**Hold Politicians Accountable  
to Support AZ Schools!**

# PROP 123 GO!

*I pledge to* ☒ **Vote Yes for Prop 123 on May 17.**

Continue to hold politicians accountable for providing additional public education funding until Arizona's per-pupil funding is competitive with other states and our schools have resources to meet our children's needs.

Advocate against the diversion of public school funding into private schools or tax cuts for wealthy special interests.
